

# Premium Industrial and Safety Tools

AVAILABLE IN STOCK FOR IMMEDIATE DELIVERY

The automotive industry has a growing need for special solutions in industrial tools: safe alloys, special sizes, custom developments to cope with increasingly confined spaces, control systems for FOD (Foreign Object Damage) and a wide range of products to reduce suppliers.

## TOOL CONTROL SYSTEM

**EGA Master offers as a solution an exclusive and personalized tool control system avoiding deviation or loss of them.**

Choose the required tools and EGA Master will design and manufacture the necessary set, fully customized, with bicolor trays that perfectly adapt to the tools and allow you to view the missing tool.

\*Possibility to install EGAware, the tool control software specifically developed for this application, and to engrave the end user logo.

## ANTIDROP®

**The widest range of industrial tools to work safely at heights.**

Innovative heat-shrink system that allows adapting any of our tools.

The system complies with  
DROPS guidelines.

## 1000V INSULATED

 **1.000V**  
IEC 60900

**Insulated tools that comply with IEC 60900, each one of the pieces being tested at 10,000V. They are also tested rigorously according to what the norm establishes: adherence test, impact test, flame propagation test and dielectric penetration test.**

Wide range of insulated tools (wrenches, pliers, torque wrenches, pincers, socket wrenches...), as well as insulating items (carpets, gloves, ...) ensuring the workers' safety.

## DON'T YOU KNOW EGA SOLUTIONS YET? ...

EGA Solutions is the engineering that provides turnkey and customized solutions for Industry 4.0.

It offers indoor and outdoor geolocation solutions, tool management and control systems, custom manufacturing of intelligent workstations and specific solutions for KANBAN warehouses among others.

## NON-SPARKING

**The widest range of certified industrial tools for working in explosive environments due to the presence of gases or dust.**

The entire range is available in both Copper-Beryllium and Aluminum-Bronze. We also manufacture products in Brass, Copper and Acetilex®.

Industrial tools with BAM certificate, German laboratory accredited by the EU.

## INDUSTRIAL TOOL

**The widest range of tools and sizes in the market, from the smallest to the biggest ones, including non-standard sizes.**

The range includes everything from pliers, screwdrivers or combination wrenches, to controlled tightening tools such as digital and analogic torque wrenches, hydraulic and pneumatic tools.

## CONTROLLED TIGHTENING

**The widest range of tools for controlled tightening. Advice and customized developments.**

The range includes from digital torque wrenches (torque checking QC, mini, interchangeable heads torque wrenches...) analogic torque wrenches (mini, interchangeable heads, preset torque, dial, 1000V insulated torque wrenches...) hydraulic and battery-powered torque wrenches, to torque multipliers and calibration and control tools.

## WHY DOES THE AUTOMOTIVE SECTOR TRUST EGA MASTER?

12  
GAMAS

### THE WIDEST PRODUCT RANGE

We are the only manufacturer that offers a one-stop solution to reduce the administrative and logistic costs of procurement processes.

We manufacture 12 ranges and 25,000 references!

### FLEXIBILITY AND PERSONALIZATION

We offer solutions to meet the specific needs of each customer, either by personalizing solutions or manufacturing tools according to the customer requirements.

### PREMIUM TOOLS FOR INDUSTRIAL USE

We offer premium quality solutions for industrial use. All our tools include an unlimited lifetime warranty (\*).

\*Excluding non-sparking tools.

### IMMEDIATE AVAILABILITY

Our products are in stock for immediate delivery. We have a 98% availability rate and a 99% on-time delivery rate.

# PROVEN EXPERIENCE

## GENERAL MOTORS

MEXICO

- ✓ **Project Value: US\$403,000.00**
- ✓ **Scope:**
  - Customized sets and storage equipment solutions

## RENAULT

FRANCE

- ✓ **Scope:**
  - Development of a 1000V insulated tool kit for their electric cars
  - Technical advice
  - Fast delivery

## DUCATI

ITALY

- ✓ **Scope:**
  - Manufacturing of custom preset torque wrenches
  - Premium industrial tools
  - One-Stop Solution

## VOLKSWAGEN

SPAIN

- ✓ **Alcance:**
  - Custom machine design to reduce heat exchanger maintenance downtime by up to 60%
  - Technical advice
  - Fast delivery

## POWERDOT

PORTUGAL

- ✓ **Scope:**
  - Tailored-made sets with 1000V insulated and 1000V non-sparking tools for work at service stations where fuel fumes are present.

## ABB

QATAR

- ✓ **Project**
  - Maintenance installation of high-voltage charging infrastructure for electric buses
- ✓ **Scope**
  - Customized sets with 1000V insulated tools

## WHAT OUR CUSTOMERS SAY

### VOLKSWAGEN (MEXICO)

"EGA Master's service is fast and efficient. We feel that in EGA Master we have a supplier we can trust to find solutions to our needs."

**Edmundo Homero Cacho**  
Engineering

### MERCEDES - BENZ (MALAYSIA)

"EGA Master is a trusted supplier that offers us the best service in the industry. EGA Master is a key partner for us going forward."

**Chantramohan Suparmaniam**  
Production Manager

### GENERAL MOTORS (MEXICO)

"We trusted EGA Master for our machine tool purchases, and the delivery time was satisfactory and on time. The staff is very happy working with the tool. It has met our standards, and we highly recommend it."

**Luis Mata**  
Maintenance Coordinator

### POWERDOT (PORTUGAL)

"We appreciate the kindness and professionalism during the procurement process of Personal Protective Equipment and Tool Kits for all Powerdot field teams. Now we can finally say with certainty that our employees will work safely, with the right materials, and efficiently!"

**Inés Simões de Almeida**  
Senior Operations Coordinator

### ABB E-MOBILITY (QATAR)

"We are grateful for the high-quality power tools that EGA Master has provided to our ABB E-Mobility team in Qatar, improving the efficiency and effectiveness of our work. We also want to acknowledge the excellent customer service we have received, thanks to the responsiveness and professionalism shown by EGA Master, making the contracting process smooth and easy. We are confident of continued success in our collaboration!"

**Shameel Imran**  
Senior Service Manager

### RENAULT (PORTUGAL)

"At EGA Master, I found tools that meet the safety requirements of a maintenance professional: the right tool for our needs, a short delivery time, and technical support are three important factors for close cooperation in the development of new solutions. That's what I found with EGA Master."

**Pedro Amorim**  
Industrial Maintenance Technician
