

TOP BOX TOOL CHEST

EGA MASTER top box tool chest is the ideal solution for industrial tool storage and transportation, providing extra resistance and longer durability.

Available in 4 colors

1. Each drawer provides easy transportation and storage, with increased levels of safety coming from the **Anti-overturn system** which has individual safety opening buttons on each drawer.

2. Manufactured in high-quality steel.

3. Key lock for greater security.

4. The reinforced heavy duty structure provides **300Kg** of static capacity.
